Sir/Madam,

At the kind invitation of the Civil Aviation Authority of the Islamic Republic of Mauritania, the 5th Meeting of the Collaborative Arrangement for the Prevention and Management of Public Health Events in Civil Aviation (CAPSCA) - Africa will be held in Nouakchott from 14 to 18 July 2014. The event is organized by the International Civil Aviation Organization (ICAO) in collaboration with the World Health Organization (WHO).

I have the honour to invite your Administration/Organization to nominate one or more participants to this event whose main objective is to facilitate the effective implementation of the ICAO/WHO guidelines on the prevention and management of public health events in civil aviation. In nominating participants, you may consider giving priority to the personnel in charge of preventing the spread of communicable diseases by air travel as well as to those who have participated in previous CAPSCA meetings for purposes of continuity. You may also wish to consider including in the delegation from your State representatives of your national public health authorities as well as other aviation partners such airport and airline operators, air navigation service providers and airport ground handling agents. Your kind cooperation in extending this invitation to such partners within your State is solicited.

The meeting Attendance Notification Form, Work Programme as well as the Information Bulletin on hotels and entry requirements to Mauritania will be communicated in due course. Participants are kindly requested to complete the Attendance Notification form to be sent to the addressees indicated on the form before 10 June 2014.

Objet : Délivrance du visa biométrique à l’aéroport international de Nouakchott

Dans le cadre des préparatifs de la tenue de la cinquième réunion CAPSCA/AFRIQUE prévue du 14 au 18 juillet 2014 à Nouakchott, j’ai l’honneur de vous informer que la Mauritanie a mis en place, depuis fin 2013, un système de délivrance du visa biométrique qui est aujourd’hui opérationnel au niveau de l'Aéroport International de Nouakchott, de certaines missions diplomatiques de Mauritanie (Abu Dhabi, Abidjan et Riyad) et du PK55 de Nouadhibou.

Des lettres circulaires avaient été adressées, en février 2014, à l’ensemble des compagnies régulières opérant en MAURITANIE pour qu’elles facilitent l’embarquement à bord de leurs aéronefs des passagers sans visa à destination de l’aéroport international de Nouakchott où ils pourront obtenir un visa biométrique.

Les frais d’obtention du visa qui doivent être payés cash sont fixés en fonction du pays de nationalité du demandeur du visa, du type de visa sollicité et du lieu de délivrance de celui-ci :
