Lessons Learnt

- Regulations do not include the Public Health Emergency related provisions in the ICAO annexes and supporting guidance material.

- Lack of use of General Declaration and Public Health Passenger Locator form in the format recommended by ICAO and WHO.
Lessons Learnt

- ANSPs contingency plan do not include provision for Public Health Emergencies
- Need to improve and strengthening the Communication and collaboration between various stakeholders involved in public health emergencies
- Development of a Business continuity planning for Public Health Emergencies (Airport & ANSP)
- AEP do not include provisions for public health part
- No framework (MOU) for collaboration between civil aviation, public health authorities and other involved stakeholders concerning Public Health Event management and emergency preparedness planning.
